Mr. Robert Pingpank
Thomaston High School
Thomaston, CT 06787

Dear Bob:

The Business-Industry-Education Day last week was very successful! It certainly achieved our main objective, which was to establish contact and communication with members of the business and industrial community in Thomaston.

Your participation in the program was a major ingredient in helping us achieve that objective. Your contribution was an important one. Thank you for your willingness to share and participate.

Sincerely,

Eugene A. Diggs
Superintendent of Schools
