# The Episcopal Church in Crisis

How Sex,  
the Bible,  
and Authority  
Are Dividing  
the Faithful

# Acknowledgments

I would like to thank those who have helped me think through and understand more fully the issues, workings, and potential in the Episcopal Church: Bishops Mark Hollingsworth, Andrew Smith, and Arthur Walmsley. I also want to thank a number of lay and clergy for their insights into the issues the book takes up: Anne Brewer, Gerald Carroon, Leslie Desmangles, Abosedo George, Donald Hamer, James Jones, Kathleen Jones, James Kowalski, Ian Markham, Richard Nolan, Borden Painter, Mary-Jane Rubenstein, Richard Tombaugh, and Alan Tull. I am also grateful to Ian Douglas and Randall Balmer for their critical and helpful comments during the final stages of bringing the book to completion. Finally, I want to offer a special thanks to Mark Silk who inspired the book in the first place and whose wisdom and insight into things religious brought a depth to the study that would not otherwise have been possible.
