

## Philosophy and religion

Title: Philosophy and religion

Description: Edited by Dr Richard T. Nolan, the Philosophy and Religion website includes a diverse collection of materials, some written by Nolan himself, and some by other authors. There are: articles relating to issues in philosophy (particularly philosophy of religion), theology, biblical thought, and ethics; two complete books ('The Diaconate Now' and 'Living Issues in Ethics'); the scholarly papers of contemporary philosophers of religion Edmond La B. Cherbonnier and Frank G. Kirkpatrick; a section dealing with Christology within a Semitic context; brief items for the novice in philosophical, theological and religious studies; reflective homilies; Constructive Criticisms and Commentary on the Institutional Church; and information about the Anglican liturgy and beliefs.
